David Lloyd has since revised its ambitions for the site including the opportunity for Padel Tennis, an exciting racquet sport being introduced across its new clubs. Further minor changes, including changes to the entrance to the club have been introduced to respond positively to internal space planning. This improves both the wider sports offer of the proposal, and the functionality of the building and is entirely appropriate in the context of the proposed scheme. These changes are encapsulated in the amended and additional drawings enclosed in this application.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Please refer to covering letter.
