Dear sir or madam

Thank you for offering us the opportunity to comment on the above application. Our comments are related to the proposed cycle storage provision, which appears to consist of 30 covered 'Sheffield' stand type places.

The current guidance in Local Transport Note 1/20 recommends at Table 11-1 that leisure facilities provide:

- Short stay, obvious, easily accessed, and close to the destination of 1 place per 50m2 capacity; and
- Long stay, secure and covered, of 1 per 5 employees

In addition, the provision should consist of at least 5% of the places for non-standard and adapted bicycles for the disabled.

As a result, the current proposed provision does not appear to meet with the guidance. We therefore would object to the application unless it was revised to include:

- Sufficient short stay provision
- Sufficient long stay provision with adequate security; and
- For both, a minimum of 5% provision for non-standard and adapted bicycles.

If you have any queries concerning this objection, please do not hesitate to contact me.

Yours faithfully

Paul Troop
Secretary, Bicester Bike Users' Group
