

OXFORDSHIRE COUNTY COUNCIL'S RESPONSE TO CONSULTATION ON THE FOLLOWING DEVELOPMENT PROPOSAL

District: Cherwell

Application no: 21/03343/F

Proposal: Variation of condition 2 (plans) of 19/01740/HYBRID - reword condition to reflect the updated revisions to drawings as well as the inclusion of new ones

Location: Land Adj To Promised Land Farm, Wendlebury Road, Chesterton

Date: 25 November 2021

This report sets out the officer views of Oxfordshire County Council (OCC) on the above proposal. These are set out by individual service area/technical discipline and include details of any planning conditions or Informatives that should be attached in the event that permission is granted and any obligations to be secured by way of a S106 agreement. Where considered appropriate, an overarching strategic commentary is also included. If the local County Council member has provided comments on the application these are provided as a separate attachment.

Application no: 21/03343/F

Location: Land Adj To Promised Land Farm, Wendlebury Road, Chesterton

General Information and Advice

Recommendations for approval contrary to OCC objection:

If within this response an OCC officer has raised an objection but the Local Planning Authority are still minded to recommend approval, OCC would be grateful for notification (via planningconsultations@oxfordshire.gov.uk) as to why material consideration outweighs OCC's objections, and to be given an opportunity to make further representations.

Outline applications and contributions

The anticipated number and type of dwellings and/or the floor space may be set by the developer at the time of application which is used to assess necessary mitigation. If not stated in the application, a policy compliant mix will be used. The number and type of dwellings used when assessing S106 planning obligations is set out on the first page of this response.

In the case of outline applications, once the unit mix/floor space is confirmed by reserved matters approval/discharge of condition a matrix (if appropriate) will be applied to establish any increase in contributions payable. A further increase in contributions may result if there is a reserved matters approval changing the unit mix/floor space.

Where a S106/Planning Obligation is required:

- **Index Linked** – in order to maintain the real value of S106 contributions, contributions will be index linked. Base values and the index to be applied are set out in the Schedules to this response.
- **Administration and Monitoring Fee - TBC**
This is an estimate of the amount required to cover the monitoring and administration associated with the S106 agreement. The final amount will be based on the OCC's scale of fees and will be adjusted to take account of the number of obligations and the complexity of the S106 agreement.
- **OCC Legal Fees** The applicant will be required to pay OCC's legal fees in relation to legal agreements. Please note the fees apply whether a S106 agreement is completed or not.

Security of payment for deferred contributions - Applicants should be aware that an approved bond will be required to secure a payment where a S106 contribution is to be paid post implementation and

- the contribution amounts to 25% or more (including anticipated indexation) of the cost of the project it is towards and that project cost £7.5m or more
- the developer is direct delivering an item of infrastructure costing £7.5m or more
- where aggregate contributions towards bus services exceeds £1m (including anticipated indexation).

A bond will also be required where a developer is direct delivering an item of infrastructure.

The County Infrastructure Funding Team can provide the full policy and advice, on request.

Application no: 21/03343/F

Transport Schedule

Recommendation: No objection subject to;

- A legal agreement as required to link the permission to the S106 agreed in relation to the original hybrid permission, 19/01749/HYBRID

- **Other Planning Conditions** as for 19/01740/HYBRID

Comments:

Application seeks to vary the agreed plans of the original Hybrid permission. The changes relate only to the smaller part of the site, introducing a new racquet sport area and minor changes to the entrance of the club.

The changes would result in loss of a single car parking space. The impact of the revisions above are not deemed likely to be significant to highway safety and/or traffic flow.

Oxfordshire County Council do not wish to object to the proposed changes. However, if approved, the permission must be subject to the same obligations and conditions as agreed on the outline permission.

Officer's Name: Rashid Bbosa

Lead Local Flood Authority

Recommendation:

Objection

Detailed comments:

Evidence must be shown that the amendments do not cause flood risk.

Where additional padel area is proposed, this could lead to an increase in run off, hence causing a flood risk in the future.

Officer's Name: Sujeenthan Jeevarangan

Officer's Title:LLFA planning Engineer
