Comments	<input type="text" value="21st October 2021 Dear Cherwell District Council, Re: 21/03350/TEL I must object to the proposed telecoms mast to be situated at the corner of Oxford Road and Bletchingdon Road on the basis that this location is within a conservation area, and should be preserved as such. Whilst I appreciate the need to improve telecommunications systems, the masts and other associated buildings should be located in a more suitable and sympathetic area (non Conservation area). Thank you, Caroline Rice"/>
