<b>Comments</b>	<input type="text" value="Have no objection to a mast In a secluded location but the suggested one is not suitable; 1. Kirtlington is a conservation area and this mast does not fit within what is acceptable. 2. I believe it to be too close to residential houses for that location. 3. We have no street lights by choice - I often see masts with lighting upon. Added to the above, the mast is an eyesore and will be what we and all visitors will see on entering/ leaving the village."/>
