<b>Comments</b>	<input type="text" value="On behalf of my mother, Barbara Dunkerley who has lived in Kirtlington for over 40 years I would like to ask that an alternative location is sought for this facility. The mast is obviously essential for progress, but the village is a conservation area, and the proposed location is right in the middle of the village. She is sure an alternative can be found in a more discrete and suitable position."/>
