<b>Comments</b>	<input type="text" value="Strong objection to proposed mast. Not against a mast as such if it will boost local reception, but this is at a pivotal and very visible place in the village. It will spoil the view from my Rectory, and, more importantly, from other houses nearby, and my neighbours and I are greatly concerned about the possible detrimental effects on health. This is a conservation area, and this will hugely damage the historic character and appearance of the village. Please oppose. Thank you. Gareth Miller"/>
