Comments	<input type="text" value="This site is NOT allocated for development in the current Approved Local Plan. There are extensive areas in and around Banbury that are already approved for development which are currently lying fallow and until these, and the associated infrastructure elements emerge, no more sites should be approved. Consideration of this application is therefore premature, particularly in the light of the current consultation of the Local Plan Review now in hand and therefore this application should be refused. The comments regarding sustainability, with particular reference to public transport, access to further transport opportunities, and the commercial and employment activities in Banbury are overly optimistic. These points must be pressed to the Planning Committee"/>
