<b>Comments</b>	<input type="text" value="I am a resident of hanwell. I have great concern about any further development to the north of Dukes Meadow Drive due to its encroachment upon our village and our rural setting. This is a proposed green field development of a site not identified in the current adopted local plan up to 2031 and should therefore be rejected out of hand. The correct process of consultation with the local community has not been followed and it would be a further breach of the Council's previous commitment that Dukes Meadow Drive would form the northern, unbreachable extent of the town. The immediate locality and the services of the town more broadly are currently unable to cope with further development. This would be an example of 'local democracy' at its worst if this plan were to be approved at this point in time."/>
