<b>Comments</b>	<input type="text" value="We all already do not have an adequate fit for purpose infrastructure to serve the Banbury area as it is! Adding another housing project is not going to solve the problem. Banbury is already short of GPs, the local acute services have been systematically culled. Community support services have had a battering and only just coping but likely to fail any time soon. Schools are overwhelmed. Roads are in constant need of repair due to amount of traffic. It's hell as it is trying to get around Banbury. Banbury use to be a great place to live but it's fast becoming another ugly &amp; expensive housing estate without any decent services."/>
