<b>Comments</b>	<input type="text" value="I wish to object to development on this site. This area has been subject to much development in recent years which has impacted on surrounding villages. More footfall and traffic and villages being used as rat runs especially at commuter/school times. These villages are not suitable for heavy traffic and from my house I have seen several near misses with traffic trying to pass pinch points. Our two main routes into Banbury are already congested and with further development, this will increase again. During the building of these houses villagers have been subject to long delays whilst roads are dug up for pipe work etc. We need to move away from any further development in this area."/>
