Comments	<input type="text" value="Surely there is already enough disruption caused by the incessant building in Banbury. The continual traffic flows up & down Warwick Road cause congestion & pollution. When we moved to Banbury 11 years ago the traffic was only noticeable during rush hours. Today it is constant. Where is the infrastructure for all these developments? Where are the schools, roads, surgeries etc for the hundreds of new residents? We object to any further developments. Enough is enough."/>
