<b>Comments</b>	<input type="text" value="The planned development of 78 houses north of dukes meadow driver that is not part of the current local plan up to 2031. This would set an awful precedent with the new local plan awaiting response to the recent consultation. No further developments that are not in the existing local plan and that expand banbury northwards should be sanctioned until the recent consultation has been completed and the outcome challenged (where required)"/>
