Subject: 21-03428-TEL56 Dymocks Farm Buckingham Road Bicester

Hi Gemma,

Planning application:	21/03428/TEL56
Location:	Land At Dymocks Farm, Buckingham Road, Bicester
Description:	Proposed upgrade to existing telecommunications installation: proposed to remove the existing 14.7m monopole and install a new 15m monopole on a new root foundation. 3No proposed cabinets will be installed. As the replacement monopole is not in the same location as the existing monopole.
Type:	Telecommunications Prior Approval
Case Officer:	Gemma Magnuson

I have looked over the above application and have the following comments to make:

Recommendation:

Oxfordshire County Council, as the Local Highways Authority, hereby notify the District Planning Authority that they **do not object** to the granting of planning permission

Comments:

The proposed mast and cabinets will not adversely affect visibility for drivers.

The proposals are unlikely to have any adverse impact upon the local highway network from a traffic and safety point of view, therefore I offer no objection.

If you would like to discuss any of the above in more detail, then please do not hesitate to contact me.

Kind regards

Roger
