<b>Comments</b>	<input type="text" value="The application for a mast and ancillary equipment on this small corner site is within Kirtlington's Conservation Area and is too high and an unsuitable erection for such an area. Therefore i strongly object to this application. Please suggest to the applicant that such equipment should be hidden behind a copse and would suggest behind the disused building on the right hand side of Mill Lane where it would be at probably the highest point of the Village.
