Hi John,

Planning application: 21/03452/TEL56
Location: Street Record, Station Road, Kirtlington
Description: Proposed 15.0m Phase 8 Monopole C/W wrapround Cabinet at base and associated ancillary works.
Type: Telecommunications Prior Approval
Case Officer: John Cosgrove

I have looked over the above application and visited the site, and have the following comments to make:

Recommendation:

Oxfordshire County Council, as the Local Highways Authority, hereby notify the District Planning Authority that they **do not object** to the granting of planning permission

Comments:

The proposed mast and cabinets will not adversely affect visibility for drivers.

The proposals are unlikely to have any adverse impact upon the local highway network from a traffic and safety point of view, therefore I offer no objection.

If you would like to discuss any of the above in more detail, then please do not hesitate to contact me.

Kind regards

Roger
