Comments	<input type="text" value="My husband and I strongly object to this planning application. This hasn't been given great enough consideration about how this will affect the local community, and its current amenities, especially in relation to GP services. The local medical practices are already stretched and the waiting times are already at an unacceptable level. Adding multiple hundreds of residents to the area without due regard for medical facilities and road traffic/congestion and impact on the green spaces, is outrageous, unacceptable and totally ill-thought-out. This cannot proceed under the current proposal and better consideration must be given on the negative impact such a development will cause. This cannot be allowed."/>
