<b>Comments</b>	<input type="text" value="It is an absolutely ridiculous idea to concrete over even more of our green belt, albeit on the edge between Yarnton and Begbroke. Our village already has huge flooding issues with the runoff from Spring Hill causing problems in Aysgarth top and bottom of the road we are near. Not to mention plenty of other parts due to inadequate pumping stations, gardens flooded, drains backing up plus much more. We were misled by this being to meet Oxford's Unmet Housing Needs whereas it's an out of town campus and housing for Oxford university. Even our Judicial Review failed and our beautiful village is being sacrificed to more urban sprawl."/>
