Comments	<input type="text" value="I object to this application very strongly. There are already plans for many new houses and changes near Kidlington, Begbroke and Yarnton . The infrastructure (roads, schools etc) will not be able to sustain these extra properties/people. Traffic is already horrendous. We are due to lose an awful lot of green space in the local area and the damage to the local wildlife/nature will be detrimental and irreversible. No doubt, if the builds do go ahead, they will still be over-priced and not obtainable to the young people of the area who are out-priced and will never be able to afford local housing, despite growing up here."/>
