Hi
I'm writing to object to the planning proposed on the above mentioned land - OS Parcel 3673.

When the housing was built to the west of Cassington road we were told that would be the last developments in the village.

Since then a further development has been to the east of Sandy Lane.

If this development is allowed to go ahead it will increase the already heavy congestion on the A44. I believe that the village infrastructure cannot cope with another development of this nature.

Finally we should not be building on agricultural land, and we should not be losing green spaces. The UK government has committed to net zero by building on all the Green Spaces will mean we will not reach net zero by 2050 and our planet and therefore future generations will suffer.

Yours faithfully
Emma Wright
