Comments	<input type="text" value="Hi Could I just add to my comments dated the 22nd November. Looking at the design of these houses and the fact the 3/4 storey houses will be edging the side of the A44 so that the expensive houses will be spared the noise from the road. The designs are completely out of character to the rest of the area and if they look like the monstrosity at The mosaic site at Barton they are just going to look terrible."/>
