Comments	<input type="text" value="over development in the area
Loss of habitat for wildlife
Distraction of daltons Lane which is a wildlife area. Even though you are keeping it you are not leaving it as it is. Deer and other animals use this area for hiding their young. So sad you are building all around it
Destroying our beautiful countryside which I walk in everyday
Traffic issues. The A44 is currently a nightmare to cross and driving to Oxford slow and congested having the 4000 houses along with this development will be a disaster
Absolutely DO NOT want this to happen please stop the development of our countryside"/>
