Subject: Planning responses from Deddington Parish Council - November 2021

Deddington Parish Council met last week and discussed the following applications and noted their responses accordingly:

21/03546/OBL Land north of Hempton Road and west of Wimborn Close.

Application for approval of 'Management company structure scheme' for public open space under para. 2.1.2.(a) of the Third Schedule of S106 relating to 18/04147/OUT.

Deddington Parish Council offers no objection to this application but would like it noted that it has seen these documents and it assumes CDC have incorporated everything required under the S106 agreement.

Kind regards

Susan Fuller

Parish Clerk and RFO to Deddington Parish Council
