<b>Comments</b>	<input all="" areas="" been="" built="" green="" have="" if="" of="" on."="" the="" town"="" type="text" value="Additional flood risk for existing and new properties. Affordable housing will not be actually affordable to those who need it in the town. The development will destroy a vital green area that supports nature, as well as retaining water that will otherwise be flood water, and the Council already has reports on the value of the area for nature from previous applications for development. How could Bicester remain a "/>
