

Comment for planning application 21/03558/OUT

Application Number	<input type="text" value="21/03558/OUT"/>
Location	<input type="text" value="Land On The North East Side Of Gavray Drive Bicester"/>
Proposal	<input type="text" value="OUTLINE - Residential development for up to 250 dwellings including affordable housing and ancillary uses including retained Local Wildlife Site, public open space, play areas, localised land remodelling, compensatory flood storage, structural planting and access."/>
Case Officer	<input type="text" value="Caroline Ford"/>
Organisation Name	<input type="text" value="Russell Allcock"/>
Address	<input type="text" value="6 Lapwing Close,Bicester,OX26 6XR"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Traffic & Air Auality: Current road and traffic control is already insufficient for the number of vehicles present. Traffic lights on the roundabouts have consistently caused increased tailbacks since their installation which is has lead in decreased air quality. Adding more housing and thus more traffic to this already overloaded road system without firstly improving traffic flow will only further compound the problems mentioned above. Flooding: The flood levels for old Langford have increased noticeably over the past few years with more houses being flooded in 2020 than previous years. The area suggested for building constantly floods significantly, building on it will inevitably affect the run-off from old Langford."/>
