Comments	<input type="text" value="Thank you for providing the opportunity to comment on these plans (21/03639/F) We have two comments: Materials - This is a development into a rural area, with views to the site from rural areas. The range of materials being used is not sympathetic to the rural setting. In particular the Red Brick / Plain Tile Material buildings are visually unappealing and not fitting with the local environment. Our comment is that there should be more Stone / Slate Tile Material buildings and far fewer Red Brick / Plain Tile Material buildings, and we Object to the number of Red Brick / Plain Tile Material buildings. Trees - The number of new trees being planted is low. Please increase the number of trees planted in the development. Thank you. Yours Mr T R Hockaday Wykham Farm, Wykham Lane, OX16 9UP"/>
