Subject: RE: Planning notification for application reference: 21/03759/F

Dear Sir/Madam,

Ref: 21/03759/F Land East of The Leys, Adderbury

Thank you for contacting us in connection to the above application. The site lies in an area of archaeological interest, however, it appears that the site has been truncated, possibly in relation to the construction of the railway, and as such, there are no archaeological constraints to this development.

Kind regards,

Victoria
