<b>Location</b>	<input type="text" value="Land East Of The Leys Adderbury"/>
<b>Proposal</b>	<input type="text" value="Erection of 2 dwellings"/>
<b>Case Officer</b>	<input type="text" value="Wayne Campbell"/>
<b>Organisation Name</b>	<input type="text" value="Margaret Dawes"/>
<b>Address</b>	<input type="text" value="Leys Cottage,2 Tanners Lane,Adderbury,Banbury,OX17 3ER"/>
<b>Type of Comment</b>	<input type="text" value="Objection"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="Dear Sir Planning Application - 21/03759/F I am objecting the above planning application on the following grounds. Adderbury is an old village of narrow lanes. The area near Tanners Lane and The Leys is particularly narrow and already difficult for domestic vehicular access for those of us who live here. The Leys is narrow and single track with no pavement and has drives and access gates to cottages opening directly onto it. These lanes are used daily by residents, walkers, families with children, dogs and horses and also the local wildlife. The surveys of 2012 and 2017 have no bearing on what is happening now regarding traffic and usage. The construction traffic, that building these 2 large five bedroomed houses would bring to Tanners Lane and The Leys, will make it dangerous for all of us who use these lanes daily and the resident wild life. The extra pollution, noise and vibration to our very old cottages, some without foundations, will cause harm to us and our homes. Access to and on Tanners Lane is difficult because of resident parking and The Leys has two sharp narrow right hand bends with no room for vehicles to manoeuvre. The concrete road is also very narrow. Ongoing. The extra cars, at least 2/3 per house, visitors, delivery, maintenance and general vehicles that would service these 2 large five bed houses will carry on causing pollution, noise and vibration and hence be a danger to those who use the narrow lanes and us who live here. So many areas of green space in and around Adderbury village have been lost to hundreds of houses which bring with them extra pollution and loss of wildlife. Please leave this small green space to the variety of wildlife which live there."/>
