Comments	<input type="text" value="I wish to object to this further proposal as nothing has changed since it's previous refusals and find it ludicrous to suggest that building these properties would cause a traffic increase of one vehicle morning and afternoon. Furthermore a) The location falls outside the neighbourhood plan b) Ownership of the access road is disputed by the Parish Council c) The loss of existing rights of way and a green belt area which is abundant with animal species d) The Leys has no footpaths and any increase in traffic will be dangerous to pedestrians"/>
