Subject: Planning responses from Deddington Parish Council - December 2021

Deddington Parish Council met tonight and discussed the following applications and noted their responses accordingly:

21/03804/DISC Stone Pits, Hempton Road, Deddington. Discharge of conditions (Large scale details and boundary treatment).

Deddington Parish Council offers no objection to this application providing the Hempton Road boundary hedge is replaced by new species rich hedge as per the original application.

Kind regards

Susan Fuller

Parish Clerk and RFO to Deddington Parish Council
