Environmental Protection has the following response to this application as presented:
21/04002/DISC - : Morley Stores - Discharge of Conditions 10 (vehicular electric charging points) and 11 (provision of solar PV) of 20/02139/F (E P Barrus Ltd, Launton Road, Bicester, OX26 4UR)

I have reviewed the additional information supplied, and am satisfied that condition **10 (vehicular electric charging points)** can be discharged.

Ideally we would have liked to see one charging point per unit, however ducting could be put in place to allow for future demand if required.

Kind Regards
