Hi Michael

I have looked over the above planning application and have the following comments:

---

**Planning application:** 21/04134/F  
**Location:** Part Of OS Parcel 5720 East Of Kyleburn And West Of Manor Farm, Main Street, Wendlebury  
**Description:** i) Relocation of existing field access, and,  
ii) Permanent closure of existing gateway.  
**Case Officer:** Michael Sackey

---

**Recommendation:**

Oxfordshire County Council, as the Local Highways Authority, notify the District Planning Authority that they **do not object** to the granting of planning permission.

**Comments:**

The proposals represent a severely sub standard access being improved and made substantially safer. The western splay of 80m would still be considered sub standard according to guidelines. Despite this, the access has been relocated into the best possible position and the application will not increase the number of vehicle trips at the access.

The proposals are therefore unlikely to have any adverse impact upon the local highway network in traffic and safety terms, OCC do not object to the granting of planning permission.

If you would like to discuss any of the above in more detail, feel free to contact me.
