Comments	<input type="text" value="The Bicester area has been repeatedly developed over the last decade, it is eating into the local villages and transforming the area completely. Adding in a further mixed use development is completely unnecessary and ridiculous. This the English countryside and the natural beauty of the countryside will be lost. The very fact is stretches up to the Bucknall village boundary simply out of keeping with the locality and will destroy the quality of life of the residents in the village."/>
