Comments	<input type="text" value="I wish to strongly object to this application. This is going to bring a huge number of vehicles through a village with only one small run of pavement on the Bicester Road, the other roads in the village have no pavements and it is already dangerous to walk around the village. Only this morning it was published in the Bicester Advertiser that the people of Bicester have highlighted a lack of green space, 'massive' amounts of housing and not enough amenities, this is without the 3,100 houses! Surely there should be some consultation with the village of Bucknell, showing the full details and the villagers should be given their chance to ask questions, but it looks like it's a foregone conclusion that it's a done deal."/>
