Comments	<input type="text" value="1. This will destroy local wildlife. 2. It will create too much traffic. 3. Bicester is losing its identity due to the council allowing too many houses to be built. We are no longer the lovely market town that we used to be. 4. Bicester does not have the infrastructure to support 3100 houses, which equates to over 7000 people. The roads will not support the extra traffic. 5. If this goes ahead it is a travesty. Bicester Town Council have already killed our town."/>
