Comments	<input type="text" value="Bicester and the surrounding infrastructure is growing at an unsustainable rate. Environmental concerns aside, there are too many big developments that are swamping not only the town, but all the associated villages. With the increase in warehousing , impending measure facilities at Chesterton, the whole leave is becoming and logistical nightmare to have any sort of quality of life. This development, with the looming new warehouses planned at the other end of the B4100 is going to have a direct impact on peoples quality of life. Start thinking of the people you represent rather than the short term money gains big business is seducing the councils with."/>
