Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I object to this planning application because it is yet another example of how Bicester is being turned into an ugly conurbation. This has an enormous negative impact on the village of Bucknell. The ecological impact will ruin yet more countryside. The road network in Bicester is already unable to cope with the amount of traffic it has now, it will not cope with more. This is Ill thought out and unnecessary."/>
