Comments	<input type="text" value="We object to this application. For the council to be considering this is a joke. The infrastructure around Bicester is not adequate to take any more cars, roads are gridlocked at peak times and the state of the roads are appalling. If this cannot be dealt with now how will they cope when there are another 6,000 cars using them. The residents of Bure Park struggle now to exit onto Lords Lane from Germander Way due to traffic and the speed of cars along Lords Lane. An accident waiting to happen with the proposed entrance opposite to this new estate, not a village! The people of Bicester are already struggling to see a doctor, dentist etc so any more people will just add to this. Please leave Bucknell as a village and do not allow these greedy home builders to take what is left of our green fields and destroy our wildlife. All Bicester councillors should be ashamed if they encourage this application to proceed, but you probably don't live here so are not bothered."/>
