<b>Comments</b>	<input type="text" value="NO, NO, NO! We already have far too many new builds around the Bicester area. Do we really need more? Where are all these people coming from? The increase in traffic, destruction of wildlife, more pollution, possible flooding, sewers not able to cope. We do not have the infrastructure to cope with all these extra cars &amp; people. Yet more greenfield gone. Why? We've already lost too much. Stop this now."/>
