<b>Comments</b>	<input type="text" value="An extra 3,100 houses (7,440 people) will generate additional pollution via approx 6,000 new cars. It will cause destruction of fields and wildlife habitats There will be increased traffic, that the road system cannot support and mean it's more dangerous and cause pollution There will be increased flooding. The waterway through Bure Park Nature reserve will dry out (which supports local habitat)."/>
