Comments	<input type="text" value="Objection These pop up villages ate ruining our green belt and merging villages with Bicester. Such has happened with Chesterton and Kingsmere. Launton has been merged due to EWR and Little Chesterton will merge with the Wolf Resort. This will mean that Bucknell will merge with Hawkwell and Bicester. Bicester does not have the road infrastfucture to cope with the developments we have. The Bicester road is already overused with it's link to the M40 and is narrow in parts and has accidents. Make use of empty buildings, shops and houses in Bicester first. It won't be a village - just another estate. More wildlife and habitats will be destroyed. Stop merging our villages with Bicester."/>
