<b>Comments</b>	<input type="text" value="This proposal is gonna impact massively the environment, destroying a lot of wildlife and ruining the local countryside. There will be a massive traffic jam and delays to leave and return to our houses from anywhere, which in peak time is already a bit of an issue. It will place even more pressure on the local infrastructure (roads, services, etc.) and greatly degrade the day to day lives of our neighbourhood. We DON'T ant Bicester to be over populated and with less green areas!! We want it as it is!!!"/>
