Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="In addition to my previous objections I would also like to highlight the fact that now Oxfordshire County Council will no longer be funding the realignment if Howes Lanes the current road infrastructure won't be able to cope with the plan for 3100 properties. The congestion to the area during peak times will also impact on air pollution from cars queuing with their engines running. I doubt very much that everyone who buys a property on the proposed new housing estate will own electric cars. Unless that is that each house comes with a free electric car."/>
