Comments	<input type="text" value="The idea of another soulless development extending Bicester leaves me feeling pretty despondent. This one is going to destroy a lot of beautiful countryside right on my doorstep. I could hardly be more against it. I don't know what else to say except that why does no one with power care about the countryside; fields, woods, wildlife, and the beauty of it? I don't know how you can justify flattening it all for the sake of a low quality, sterile and bland housing estate."/>
