Comments	<input type="text" value="I would strongly object to this development and quite frankly think it is ridiculous that planners would grant it. I have lived in Bicester for nearly 4 years now and even before Covid getting a doctors appointment was hard, you often had to wait 3-4 weeks and now we are being told by the government there is a shortage of doctors and dentists nationally which is now being felt in the town. As well as this if I walk down around Lord's Lane during the week all you see is lorries travelling back and forth along the A4095, turning into Howes Lane going towards the Kingsmere development which was going on when I moved here and still is today. Whilst people will say new housing is needed I firmly believe that Bicester cannot take any more strain until they have services like doctors, dentists and buses in place with developments like Kingsmere, Elmsbrooks and Graven Hill still being completed."/>
