<b>Comments</b>	<input type="text" value="My biggest concern is around traffic' I have lived in Bicester all my life and with the recent developments around large warehouses in Bicester area it's getting hard enough just to get out of Bicester each morning. We already have two major roads that have high levels of slow traffic in the A34 and M40 and this level of new houses could easily bring another 5000 cars to the area. Its just going to have a really negative impact to the area"/>
