Address	<input type="text" value="33 Cranesbill Drive,Bicester,OX26 3WQ"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Our local infrastructure is already struggling and has not kept pace with the scale of development occurring in and around Bicester. It simply cannot cope. The plans do not adequately address the consequences of a development of this size. Our infrastructure just can't cope. Communities will be destroyed and others will be badly impacted. Just the number of additional vehicles this development will bring should be enough to concern us all. An additional six thousand vehicles. 6,000 more cars and the pollution and traffic that will bring. Other negative impacts include flooding, impact on wildlife and agricultural land being built on for housing. Hawkwell isn't the only development planned. New warehousing at J9 and J10 of the M40, the Ardley Rail Freight Interchange, Great Wolf, the list goes on. It's just too much. It will negatively impact everyone currently living in Bicester or one of the surrounding villages."/>
