Comments	<input type="text" value="Dear Sir/Maddam I will like to give my opinion on this plans to build more houses around Bicester. There is already a huge pressure on infrastructure and this will disrupt even more the options we have to avoid traffic around Bicester. More traffic will bring more pollution,also put more pressure on local services and for my business will mean more time in traffic and longer waiting time for my costumers. The country side will be affected in the process and also birds and animals will have to migrate in less populated areas. I hope my opinion will help to realise there are little benefits to overpopulate Bicester area and more negative parts coming with this plans. Regards Florin"/>
