<b>Comments</b>	<input type="text" value="This is a huge development on a greenfield site way out of scale with neighbouring villages Infrastructure requirements demanding - rural backwater cannot support huge roads Local employment? In the warehouses which are NOT going to happen around Baynards Green Light, noise and air pollution will be excessive Food production is going to have to be increased in coming years, but if the land is not high enough quality then the government is keen for trees to be planted. Ask the MP, Victoria Prentis , who is an environment Minister Thank you"/>
