**Type of Comment** 

Objection

**Type** 

neighbour

**Comments** 

My objection is simply based on the further loss of green belt around Bicester. Already there is building on all four points of the compass which is resulting in extra traffic. This will also result in more children requiring schooling both junior AND senior who will certainly initially have to make their way into Bicester by road. People both young and old will have to find their way to the Rodney House roundabout for their medical requirements. We do NOT need more people around here. We have had our fair share already.
